

INTERNATIONAL SCIENTIFIC CONFERENCE “ENVIRONMENTAL AND CLIMATE TECHNOLOGIES 2013”

OCTOBER 14-16

The Environmental Engineering Session of the 54th International Scientific Conference of the Riga Technical University will be held 14 - 16 October 2012. The Conference has been envisaged as a regular scientific forum and its main aim is to acquaint researchers with achievements in the area of energy systems and environmental engineering and to give the scientists, especially PhD students, an opportunity to publish the results of their research.

ABOUT THE TOPIC

Climate change is one of the topics that lately causes the most interest and concern among all environmental problems raising heated discussions among scientists, politicians, and practitioners, as well as within society as a whole. The Environmental engineering session of the year 2013 will be devoted to the mitigation of climate change, focusing to the development of low carbon emission technologies. Scientists and practitioners reflect the development of low carbon emission technologies – pure technological solutions for the utilization of non-fossil energy sources and increasing energy efficiency.

LANGUAGE

The official Conference language is English.

FEE

The registration fee is 50 EUR. The registration fee covers a copy of the conference proceedings, admittance to all sessions, refreshment breaks, lunches and the conference social event.

REGISTRATION

Submission deadline of the preliminary registration is **April 1** by filling online registration form on www.videszinatne.lv. The deadline for full text article submission is May 1.

ARTICLE SUBMISSION

All submitted papers should be written in English. All the submissions will be peer-reviewed by the panel of experts associated with journals. Best articles will be published in the international scientific journal "[Environmental and Climate Technologies](http://www.videszinatne.lv)"

Riga Technical University

**TOPIC OF INTEREST
FOR THE YEAR 2013:**

**Development of Low Carbon Emission
Technologies**

VENUE

Faculty of Power and
Electrical Engineering
Riga Technical University
Kronvalda blvd.1, Riga, Latvia

IMPORTANT DATES

April 1	Pre-registration and Submission of Abstracts
April 8	Notification of Acceptance
May 1	Submission of full paper
August 1	Conference fee payment

**Institute of Environment and Energy
Systems
Faculty of Power and Electrical
Engineering**
